Phase 1-Planning

- Determine # and make up of Task Force Members
- Name for the Task Force
- 3 year Action Plan
- Establish:
 - Mission, goals, outcomes, consequences, operating principles
 - Find/research/review existing education reform models

Phase 2- Data

- Determine which data is appropriate and where it can be reliably found
- Set up data consolidation system

Phase 3- Report Data

- Begin reporting education data --- a “report card” to the community

Phase 4-Long Term Strategies

- Establish Community Leadership Institute
 - Like Leadership: Brownsville, but focusing on education
- Establish Education Profession Leadership Academy
 - Education Professionals get outside training on “leadership”
- Public Awareness Campaign
 - Education Reform
 - Early Childhood Education (Prevention, Investment)
- Ongoing independent external evaluations of system areas of concern
- Task force involvement in Economic Development decisions

Leadership + Vision + No Child Left Behind = Economic Development
